Nancy,
Per Hans: We have not shared our plan to publish an ANPRM in the PFAS Action Plan, the reg agenda would be the first instance that we would share this publicly so I don't think we should forecast this yet. The Action Plan info is excepted below.

Thanks. We should delete the language about the reg agenda. Also the part of the response about the process should include mention of the ANPRM—consistent with what we say in the action plan.

Thanks.

Subject: FW: NH Delegation Questions on PFAS Action Plan

Hi. For review attached is a response to a PFAS question on TRI. The question follows up on an earlier call with the NH Congressional delegation (Sen. Shaheen, Sen. Hassan and Rep. Kuster). Note that the last sentence of the answer in blue highlight regarding the reg agenda should not be shared with the constituent since it is not out yet.
